

PROJECT BRIEF

PRIMARY OBJECTIVE

Utilizing Wordpress, create a current website portfolio that clients and potential employers can easily access and view. Portfolio is meant to highlight all of my best graphic design projects as well as incorporate my past visual merchandising experience.

ASSETS NEEDED

- Project Pictures
- Project Details
- Info about Me
- High Resolution Logo
- Contact information
- Resume

DELIVERABLES

- Fully functional coded website (customized Wordpress Theme)

FEATURES & FUNCTIONS

- Filters
- Project Title/Category (Hover)
- Gallery Thumbnails
- Contact Form
- Side drawer Navigation
- Project detail subpages
- Resume Download
- Responsive Design
- links to coded projects
