PROJECT BRIEF

CHERYL SOONG - ART 258

Golf Gamblers

BACKGROUND

The actual game of golf between players is made fun when waging bets between buddies. Golf Gamblers combines all the top golf betting games into one fun application location.As a cloud based app, players are recognized through their phone via google account. Scoring can be shared and linked between players that have Golf Gambler account.

OBJECTIVE

To make inputing scores for waged golf games easier.
